

The Whole Elephant Chinese Charter School (WECCS)

Mission: The Whole Elephant Chinese Charter School (WECCS) carries out the mission to establish an innovative education system which integrates the most frontier science of the West with the ancient science of mind-body-spirit from the East, with a goal to bring out the Master within each child whose unique passion and talent will be cultivated to blossom and whose mind will be cultivated to reach true maturity with great wisdom of human life and the entire universe.

Dr. Lotus King Weiss will meet with the applicant students and their parents in one-on-one fashion and explain the mission and education program to the student candidates and parents; admission will be based upon first come first serve principle; the admitted students and their parents will first meet with the entire team of Master Educators consisting of leading experts and scholars in the field of Modern Life Science, Modern Physics, Computer Science, Engineering, Modern Western Medicine, Law, Western Philosophy and History, Chinese Language Arts, Chinese Martial Arts, Classical Chinese Dance, Chinese Music, Chess, Chinese Calligraphy, Painting and Poetry. Each student can choose one or more Master Educators as his or her primary Master, who will then be responsible for his or her individualized education program from K-12; each student will work closely with his or her Master(s) to develop the details of the curriculum tailored specifically for the student's level and interest; all students will be offered standard lectures in listening, speaking, reading and writing of English and Chinese; all students are required to master both English and Chinese Language at our Charter School;

School; open seminars will be given by Master Educators to all students in their area of expertise through out the school hours, at different levels, so that each student can choose, under the instruction of his or her primary Master, to receive the appropriate level teachings; science laboratories in the area of life science, computer science and Chinese Medicine will be established in the Charter School at the end of the first year, which will then be made available for all students. Besides mastering the knowledge of each specialized field offered by the Master Educators, each student will work closely with his or her primary Master in personal upgrading of their mind and heart nature; the ancient cultivation way of Falun Dafa will be offered to all students at the Charter School; seminars on all forms of righteous religions from both the West and from the East will be offered to all students; The classical Chinese Texts teaching human morality, such as Sanzijing (Three Character Sutra) and Dizigui (Disciplinary Guide to Disciples) will be offered to all students. When students graduate from our Charter School, they shall be young scholars in Chinese Language and Culture, and young scientists of life, besides meeting the standards required upon them by the State Education Department of New York.

Initial Facility Plan: We plan to open the school at:
24-20 Parsons Blvd., Flushing, NY 11357

We have initiated our application to the SUNY Trustees, preparing to open in September 2017. Details please find on our websites or by calling us at 631-552-0233. You can also send your feedbacks to us through email at celestialwater@gmail.com;

Your feedbacks will be carefully considered and incorporated into our final application proposal. We have an open house through WeChat. Join us at WeChat, ID is LOTUSKINGWEISS.
