A you can use the product focus as we said, you can't go on with a lifestyle video includes models, animation videos, like 3d rendered videos are great for more detailed products. So last year we had an incredible time networking and just learning and passing along insights. Your objective in the project that youeAAre working with. If you sent in 1000 units, doneAAAt put your listing active if only 100 say available. Now, hereeAAAs why, as soon as you set in those 2000 units or 1000 units, leteAAAs just say iteAAAs to one warehouse. So doneAAAt forget to go watch that. So we wanna hear from you as far as, you know, what you think of this tool. Let us know. So this means that if you have an Amazon store with any number of followers, especially if you are a store thateAAAs hitting some of those larger numbers, you know, thousand and upwards, then youeAAAre a seller who should really be making use of this feature. That is it for today. So how can someone know what type of video to create for their product? So what you wanna do usually is wait until your inventory is distributed a little bit more. So when it comes to spending Walmart plus shoppers spend roughly \$75 on average per online visit, whereas the non-members typically spend \$62 and the Walmart plus users will typically visit 11 times as more likely. Bradley Sutton: Hello everybody, JeAAAd like to introduce you to our latest tool here in the Profits suite of tools in Helium 10, and this one is called Heat Maps or Heat Map Analytics. So the main image is definitely the most important because as you know when youeAAre searching something up on Amazon, the main image is what pops up in that search page. It'sAAAs spearheaded by Carrie Miller from Helium 10. So sure enough, right here, if I were to find the coffin shelf, let me look for it here in the search results. It accounts for a little over a quarter of Walmart.comeAAAs total customers and that difference is really apparent in both visits and in spending. So make sure to let us know what you like, what ,ehcitsatnaf inoizamroflni el ettut rep neelsaj ,enollebat li osrevartta Atimrofnu e azneroc id ongisib iah ,oihcram nu icislibats odnauq E ,ainroflaC ni iug arutrepoc atlam "Ac ,iug etaton ertnem ,arO ?otseuq "Avod ,omaidev enoizisop artla'nu oiabrbef 71 li enoizideps id inroig ert leug adraug :nottuS yeldarB ,erolac id appam alled scitylanA ,ottut id amirP ,"-Al atilas ni etnein ,etnein "Ac non ,erolac led appam atseuq ni iug oirpory idrocir it eS ,anigap id inoisses el ,enigap id itnemanizisop i eratsoc ebberptop enoisrevnoc id ossat out li ,itratsoC ebberptop ,nozama id osrobmir led enoizamatua1 e itneilic id enoizacinumoc al rep acrciR ottodorp lad atidnev id enilepib aretni1 eratnemua rep erawtfos itnemurS +03 :01 oiduts id itnemelE , Ativitta aut al eracifidilos e erilibats rep seuginhceT dna seigetartS nozama zA idnerp ,gniK gniK niveK redael 'AsneP nozama ad otangensi ,mdeerF otteilgib ,eraizini rep etaruc etnemataruca esrosir enucla occE ,etneriuqca otneini etrof nu noc aipma 'Aip itneilic id esab anu accot idniug ,nozama us odneurtsoc Aig ats is ehc oihcram nu us erazzilatipac id et rep Atinutroppo A ,iug eraf ossop ehc otlom id etnein "Ac non ,arO iug edeccus asoc adraug ,jizzagar iov ehc esoc itnaticE -Asoc esoc ?oihcram nu erilibats id 'Aip o ossecus id ottodorp nu erednev id odnacrec iats ,erotidnev emoc -Asoc ?oidosipe oteuq itidog ,enoizubirtsid 'Aip iah non odnauq a onif anciv atsil aut al erenetrnam id odnacrec emoc ottodorp nu eraicnalir o oicnal li rep oteuq rep asu A ,jizzagar iov a iuratua id omerehrec e ,otnemurts olled ecasip im naN I want you to come. If your goal is to run a successful brand, you can definitely use because they have knowledge and experience in the services they offer and platforms as busy and fevered. So if New Year or Valentine's Day or Easter, Et Cotera you know, you get GIST, but for step-by-step instructions and how to set that flow, go to Manage your client engagement page. Shivali: All right. And this A only the beginning of some of our geographic maps we could make. Now, what do theme-based e-mail campaigns mean? I hope you were already familiarly with her. All right. XRay Ae ay "Product search, within the 10 Chrome helium extension, helps give Amazon and Walmart sellers a bird's eye view of a market while they browse. And what might have cost a click. I didn't sell any of these coffin shelves in Montana, Wyoming, North Dakota, South Dakota in a week or two, you know, it could be a because maybe you know, there aren't many sales, because A© cio " Non c" inventory iAY. So as many of you know, the arrival of Amazon Prime from 2020" Walmart + and in recent news reports from consumer research partners Intelligence, Walmart + has affected 11.5 million members. You can see here that A updated once a day, and here is the map of all the different locations in which we show your inventory. And if I wanted to expand it, I'd click this button here, display all the heat maps. Bradley Sutton Well, the fact that there's a lot of coverage here in California like your inventories in many different warehouses here. So great news for the sellers, whether you're already selling on Walmart, or even if you only sell on Amazon, why© this A an

opportunity , right? So what we have done now this inventory heat map analysis tool. You also get tomorrow. Shivali: wonderful, how are you? Don't lose, get your video. You are trying to find out what videos work, you really need to know what video video options I am. Simplify the management of a successful Amazon or Walmart company with better data and insights. And a €™™™ in the next video. Explain all the advantages of this new tool! In this episode á € weekly weekly buzz. á Å™™ Share share the latest news: 00:58 Á € á € á €™™™ theme e-mail campaigns inside the Customer Engagement Tool02: 00 Á € á € Á "Walmart + reaches 11.5 million members02: 50 Á € á € Á "Planning to sell on Walmart? But, more than this, even just help you instill confidence in your decisions, which you are trying to find your first or next product or simply analyze markets. Maybe you want to know, hey, did I inventory of a certain product? Maybe á € sure to turn on your listing. Let's see á €™™™, what Á™™™ this weeká €. Once you start digging in to how the map inventory locations to what the customerá € á €™™ s see and finally what á™™™ buying. Guys. And thisá € á €™™™ is why a video focused on the products is a great option because exactly what á €™™™ á €™™™. Á € Review the next segment. Bradley Sutton á € still in á™™™. Click it. So á €™™™ have been loaded like two dollars, but then á €, oh, this product seems to enter, wait a minute. Á™™™ Why did people ask for a tool like this? And á €™™™ will find that product now, this is my coffin shelf, right? Just because you have access to an entire team of specialists, which is a project manager, image optimization specialist, production teams, designers, á™™™ all involved in the process. Jasleen: So in terms of video, á €™™™ á €™™™ á €™™™ it is very crucial to understand the thought process of your demographic target and what they need in a product and your video should certainly highlight those characteristics specifically. I mean, I remember that they were about 300,000 when I started with Elio 10, which was only about a it does. Á all the new for you. Finally, we are excited to share We have also reached an important Chrome Milestone Helium 10 extension tool, which is our only browser tool has now hit over 700,000 users. Take a look at this map. Let's take a look at this right now, let's go back. Although it is a main object because Amazon has not yet sent it to the east coast. Well, another case of use could be like, maybe there is a fire in a warehouse or amazon employees on strike in a certain warehouse. Well, here I can select which product are looking for. Here is an evangelist of the brand. Watch this map page so that, you know, once your inventory is distributed enough so you cannot activate your list. Now, why do you care? Bradley Sutton: I think there was a hurricane or tornado that will turn off the entire FBA warehouse. Now, if you scream here, he tells me all the other details of my inventory. So thank you very much. How, do you think it's better to go with an agency or a freelancer when the listing images is created? Bradley Sutton: It's really intriguing. And we have super cool sponsors like Foskett, North Bound Group and Spot. Bradley Sutton: right? Is there not much coverage here outside? Get Snippets from all episodes following Bradley on Instagram to @ H10bradley Do you absolutely start crushing it on Amazon? And of course, how-to video and unboxing videos, who are becoming more and more popular. Shivali: so make sure you get your tickets this year. Shivali: Similarly. So if we take a look at a backpack, for example, you, as a seller, when you try to find a video, you have to think about what the thought process is your destination audience. Thank you. Right. Bradley Sutton: ThatÁ, á "€ is literally that they will see. Biggest is the circle that means more inventory is there. So if you know, you know, natural disasters or something else, it's also nice understand correlation correlation your customer locations and shipping time. Shivali Shivali: It€ÁÁÁ wonderful to have you, I know that our viewers are here, they€ÁÁÁre in for a treat. We'll assume you're ok with this, but you can opt-out if you wish. Shivali: So speaking of be sure to check out Project W this was just released on our Helium 10 YouTube channel. So a few weeks ago, we tried to bring on Saddam from AMZ One Step. Maybe the customers aren€ÁÁÁt seeing as much, or maybe there was already history that Amazon knows that there€ÁÁÁs not many sales here, so they€ÁÁÁre like, we€ÁÁÁre not gonna send warehouse is over there. Now, the thing is a lot of these reports are just have these little three digit codes where you doneÁÁÁt know what city, what state this is in. Like, I just did a little test here and sure enough, you know, California and Northeast, they had a lot of sales of these coffin shelves. And how does a seller€ÁÁÁs main image help them, you know, get more attention than their competitors? So, guys, this is something you should be looking at, especially those of you who are about to launch a product or you€ÁÁÁre about to relaunch a product thateÁÁÁs been out of stock. You know, we just had a recent case a few months ago. Now, another thing you notice here, look at this Montana. Jasleen: Yes. What it€ÁÁÁs gonna do is it€ÁÁÁs gonna give you a map and it€ÁÁÁs gonna show you all of the different warehouse locations where your Amazon FBA inventory is stored at right now. Well, thank you. She discusses whether or not you should use a professional to create your images, the importance of your main image for conversion. Now let me just explain what this tool is and why it would be beneficial for you. Shivali: And that number is only skyrocketing. There€ÁÁÁs gonna be this map icon that you€ÁÁÁre gonna be able to see.
